

Arresting Covid Chain through Plasma Donation

- **Till Yesterday 180 members donated Plasma**
- **Today 15 People donated Plasma**
- **Total 195 people till Today donated Plasma and saved 350 lives in critical and emergency condition**

With the call of Commissioner Of Police, Cyberabad Shri. V.C. Sajjanar, IPS, call that **“Plasma donation is a social responsibility. Plasma donors are equal to God as they were saving lives. Society will be grateful for the plasma donors”**. Donating blood/plasma is a noble cause and requested to help the needy people by donating the blood. By donating the blood one will help 3 persons lives. Three needy persons will get RBC, Plasma, Platelets.

Many successfully treated covid patients (the victim's who suffered with corona and recovered) are come forwarding and donating their plasma and saving others lives.

Cyberabad covid control room daily getting requests for blood and plasma requirement. The people who recovered from positive symptoms to negative symptoms should donate plasma and save other lives. Fear should go from people. One can recover the plasma with in 72 hours.

With in a week after the inception of the portal **donateplasma.scsc.in**. Cyberabad police collected 1000 people data base of donors. It is not so easy to match the blood of donors and recipient. Cyberabad police formed separate teams and co-ordinating each other to categorize blood groups and help the needy people.

Till Yesterday 180 members donated Plasma.

Today 15 People donated Plasma.

Total 195 people till Today donated Plasma and saved 350 lives in critical and emergency condition.

Commissioner Of Police Cyberabad, V.C. Sajjanar, IPS., requesting all the Covid-19 Warrior's who have fought the virus successfully & who were symptomatic should come forward to donate Plasma. Their 500 ml Plasma will save two persons & will bring cheerfulness in the families.

He thanked public to not to believe in myths around regarding Plasma donation.

Cyberabad Police and SCSC are conducting regular blood/plasma donation drives across Hyderabad, Rachakonda and Cyberabad. Requested public to come forward donate blood by entering your details in the dedicated portal link.

Register at <https://donateplasma.scsc.in/>. Contact Cyberabad Covid Control Room: 9000257058, 9490617440

CP appealed people to not to be partial towards Covid patients. If anyone find such things public are requested to report to the number 9490617444.

CP requested the public to be alert regarding plasma donation fraudsters. Fraudsters encashing innocent people in the name of plasma donations. CP warned the people who are cheating in the name of plasma donors and asked the public to report to the number 9490617444.
